

# Family Support Network's Emergency Needs Program

Parents can have a difficult time coping with the stress and anxiety that come along with having a child with a disability. This program was designed to lighten the burden on new parents and help make their situation easier so that they can care for their child. We donate hundreds of emergency needs items each year to needy families in the Orange County area.

**We give away...**

**CAR SEATS**

**FOOD**

**CRIBS**

**CLOTHES**

**STROLLERS**

**FORMULA**

**DIAPERS**
